

1.1 Steps to Install Tutor in the system

Step 1: Copy the following folders (as highlighted below) from the Downloads folder/section and paste it in your local drive.

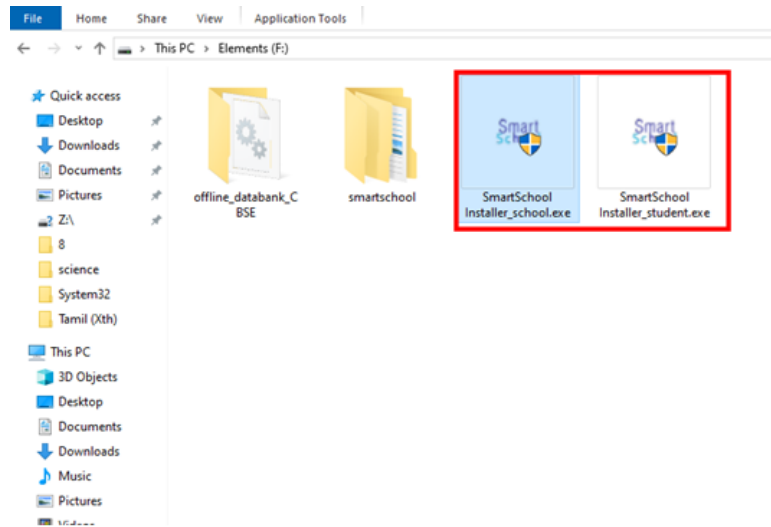

- offline_databank_CBSE
- smartschool
- SmartSchool Installer_school.exe
- SmartSchool Installer_student.exe

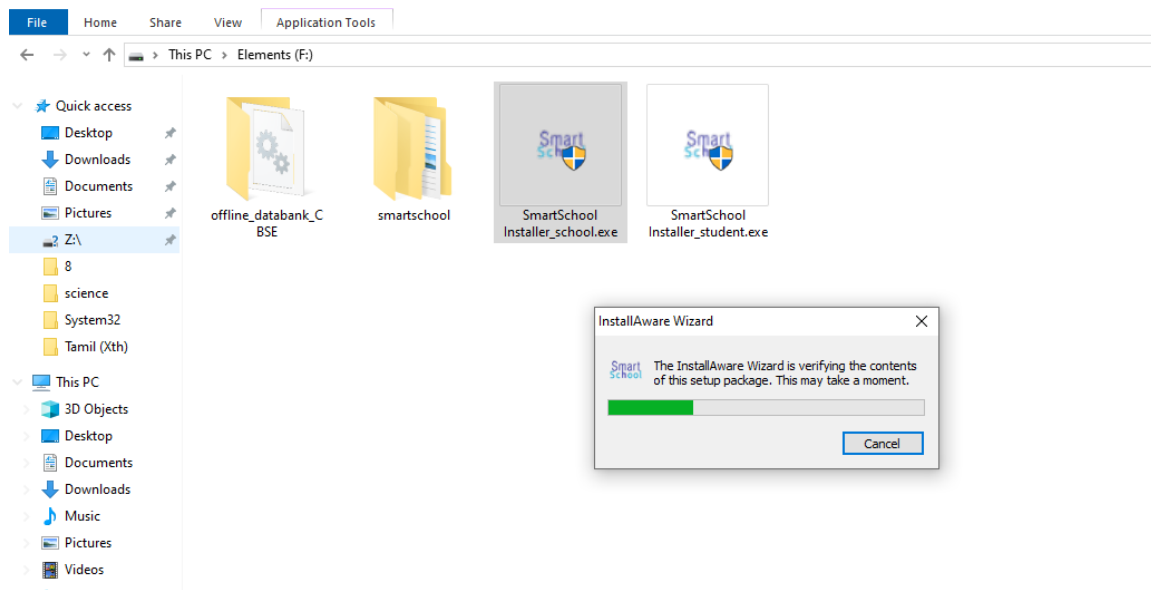

Step 2: Open your local drive where you have pasted the content.

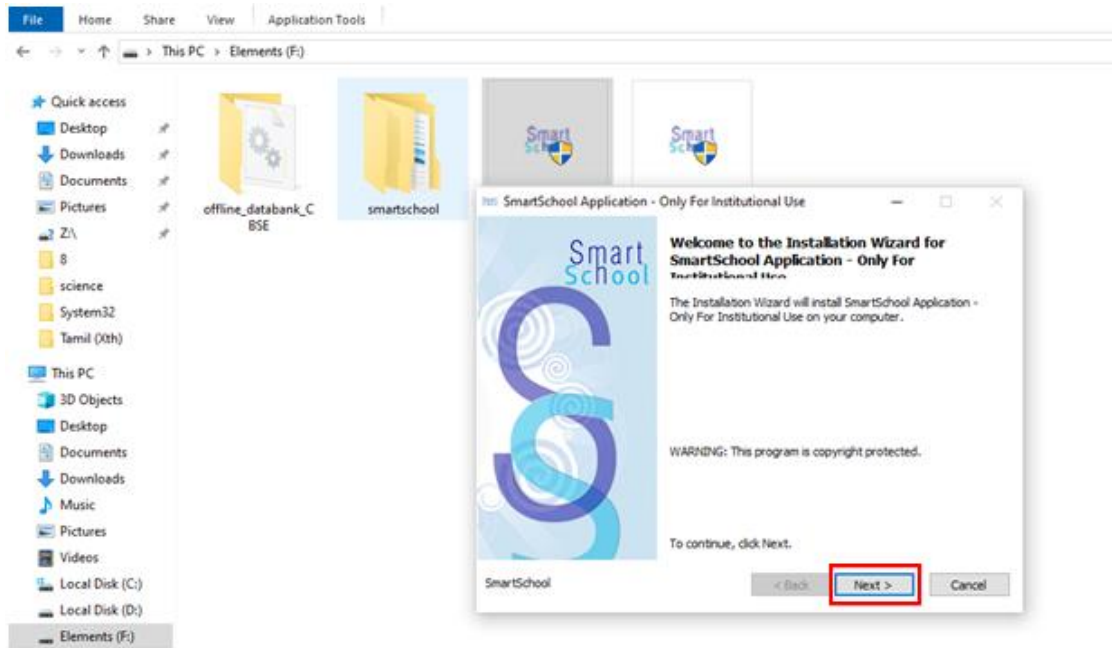

Step 3: Select either “SmartSchool Installer_school.exe” or “SmartSchool Installer_student.exe” as per your requirement.

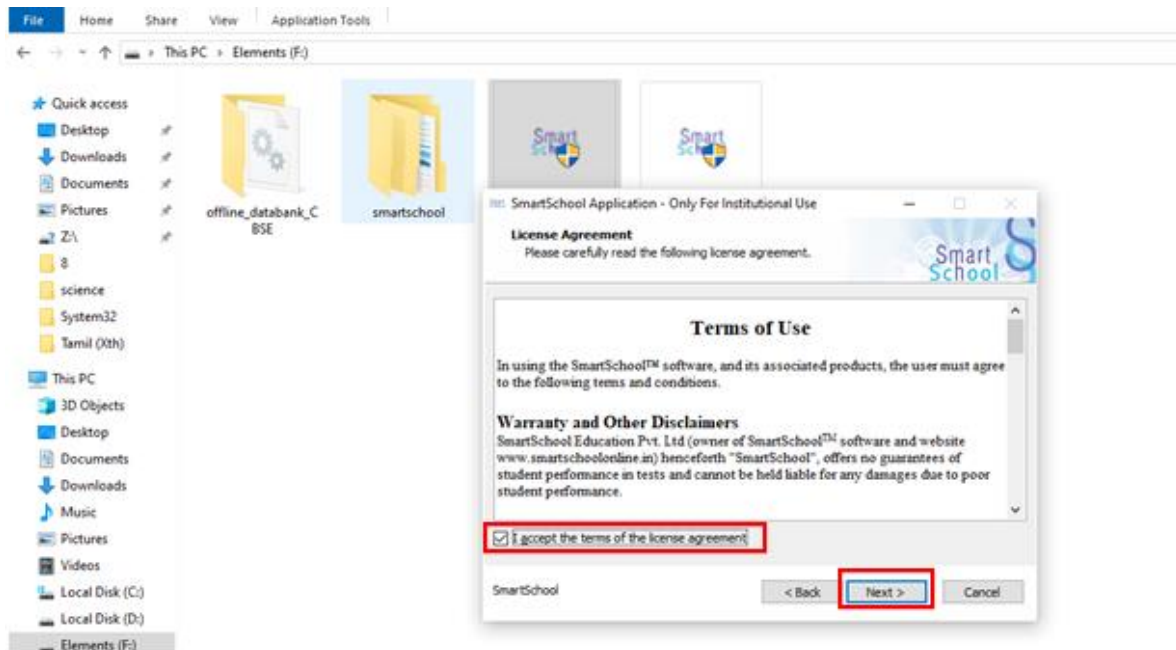

Step 4: Double click on the installer and wait for the further instructions.

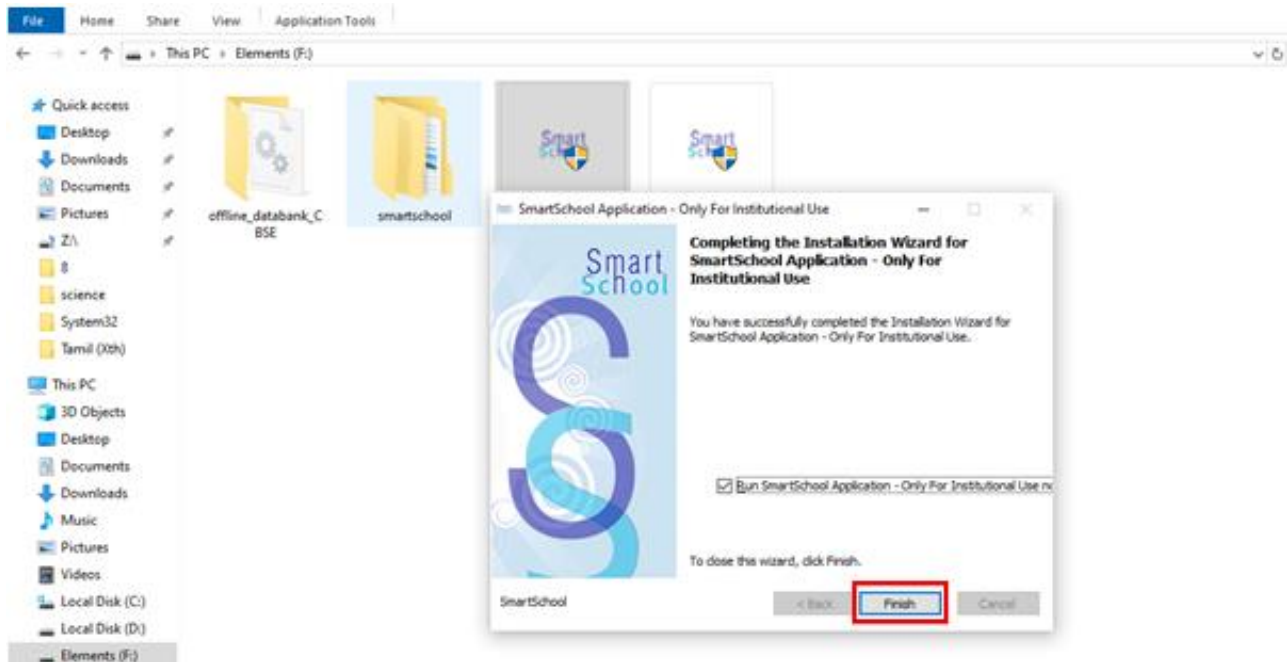

Step 5: Click on “Next” button.

Step 6: Click on the checkbox “I accept the terms of the license agreement”. Keep clicking “Next” button every time until it shows the “Finish” button.

Step 7: Click on the “Finish” button.

Step 8: Enter the “Serial Key.” Thereafter, fill all the details and click on the “Activate” button.
